The Bellerose Commonwealth Civic Association, in concert with local civic associations, PS133 and the PS133 PTA, have formed the Friends of Bellerose Playground.

The purpose of FOBP is to focus attention on the only park in Bellerose and to seek funding for a major redesign and refurbishment of the park.

All Bellerose residents are invited and encouraged to attend a kick-off meeting to discuss the playground and begin planning for improvements. Representatives of NYC Department of Parks and Recreation and our local elected officials are expected.

June 16th at 7:00 pm at PS133

Please come to this important meeting. Our elected and Parks officials must see that we are united and determined in this project.

BCCA would also like to welcome All Boro Mason Supply, our newest advertiser, just in time for summertime “Do It Yourself” projects around the house and yard.
